

9-Step Client Call Checklist

- What is the plan/purpose of the website?
- Who is providing the images, artwork, and graphics?
- Who is providing the text content?
- What is the timeline/deadline?
- What is the budget?
- Do you require mockups?
- Will you want to add any special functionality, API integrations, etc?
- What are your plans for email acquisition?
- Will you be managing the site yourself, or need us to manage it for you?
